Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view.

Top View Dimensions:

- Overall width: 60
- Overall height: 78
- Left side features a vertical slot with a width of 14 and a depth of 20.
- Right side features a vertical slot with a width of 14 and a depth of 20.
- Central rectangular area has a width of 31,5 and a height of 29,5.
- Bottom center features a rectangular cutout with a width of 12,2 and a height of 16,2.
- Various other dimensions are provided for specific features and offsets, such as 2, 2,5, 13, 16,5, and 29,5.

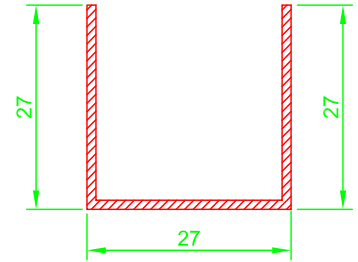

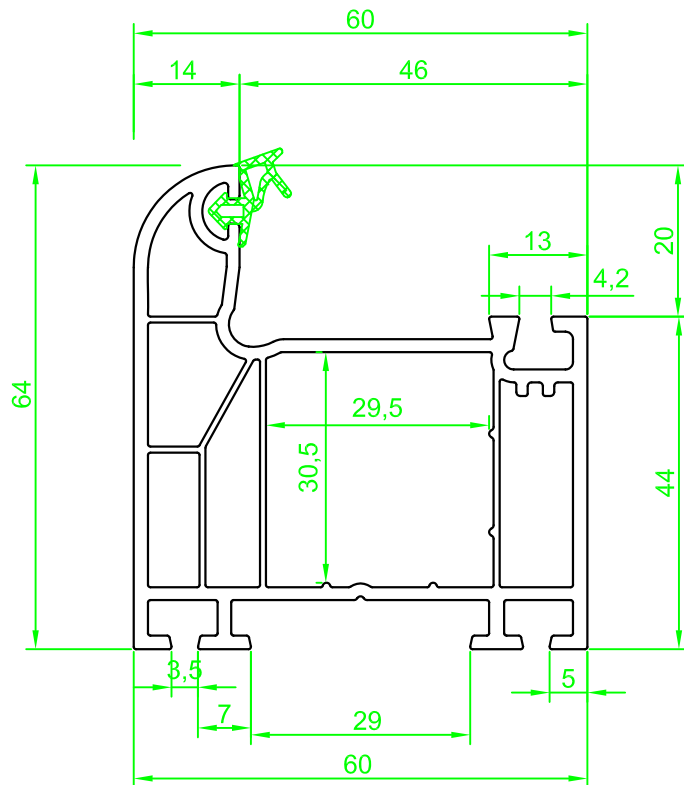

Side View Dimensions:

- Overall height: 78
- Overall width: 60
- Left side features a vertical slot with a width of 14 and a depth of 20.
- Right side features a vertical slot with a width of 14 and a depth of 20.
- Central rectangular area has a width of 31,5 and a height of 29,5.
- Bottom center features a rectangular cutout with a width of 12,2 and a height of 16,2.
- Various other dimensions are provided for specific features and offsets, such as 2, 2,5, 13, 16,5, and 29,5.

"ST 3220" OVALTEC Mullion Profile (Seal)

Technical drawing of a rectangular component with dimensions in millimeters. The overall dimensions are 103 mm in width and 60 mm in height. The drawing includes a top view and a cross-section view.

Top View Dimensions:

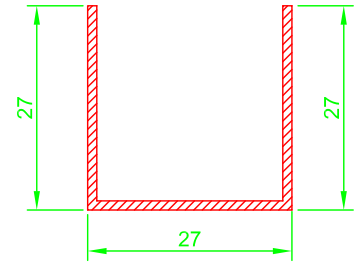

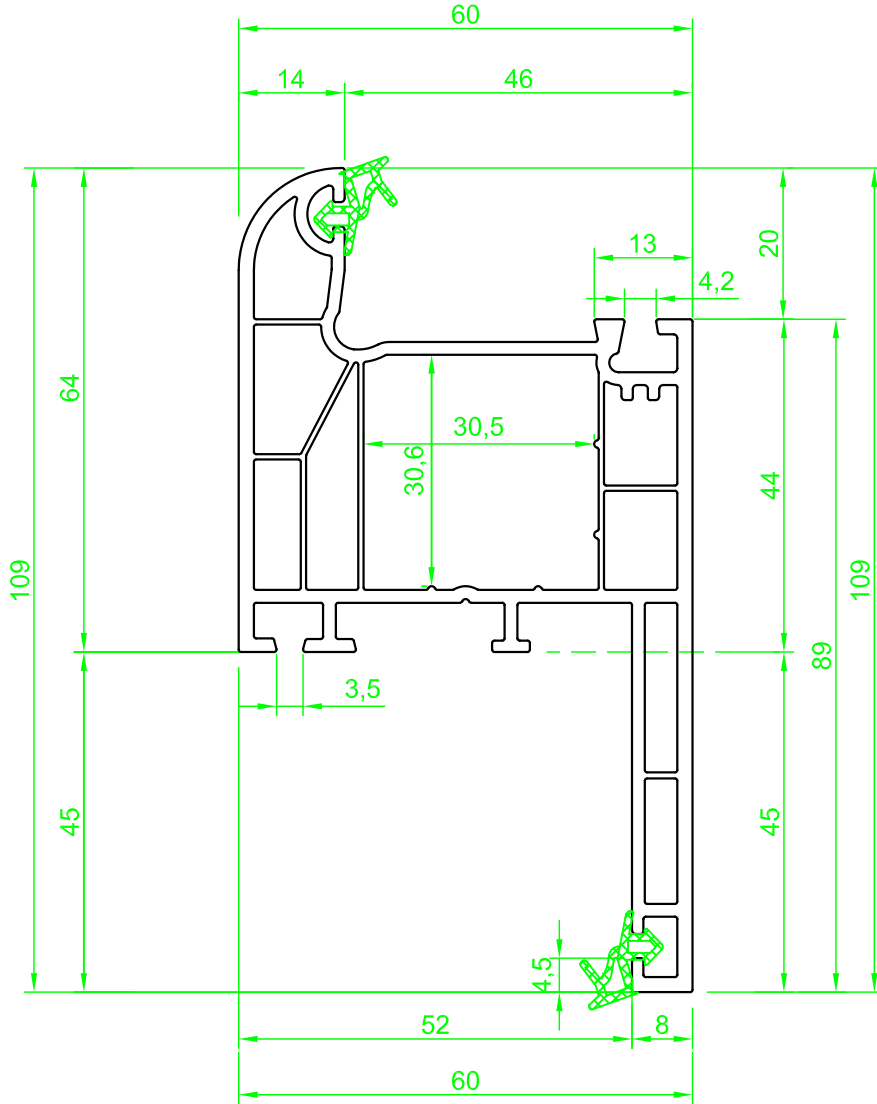

- Overall width: 103 mm
- Overall height: 60 mm
- Left side features a semi-circular cutout with a radius of 14 mm and a depth of 16.5 mm.
- Internal horizontal dimensions: 20 mm (left), 83 mm (main body), 20 mm (right).
- Internal vertical dimensions: 14 mm (left), 29.5 mm (main body), 14 mm (right).
- Internal horizontal dimensions within the main body: 43.1 mm (top), 33.1 mm (bottom).
- Internal vertical dimensions within the main body: 16.2 mm (left), 12.2 mm (middle), 10.1 mm (right).
- Bottom right corner features a semi-circular cutout with a radius of 13 mm and a depth of 4.2 mm.

Cross-section View Dimensions:

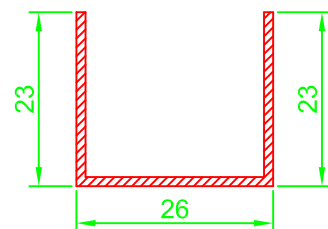

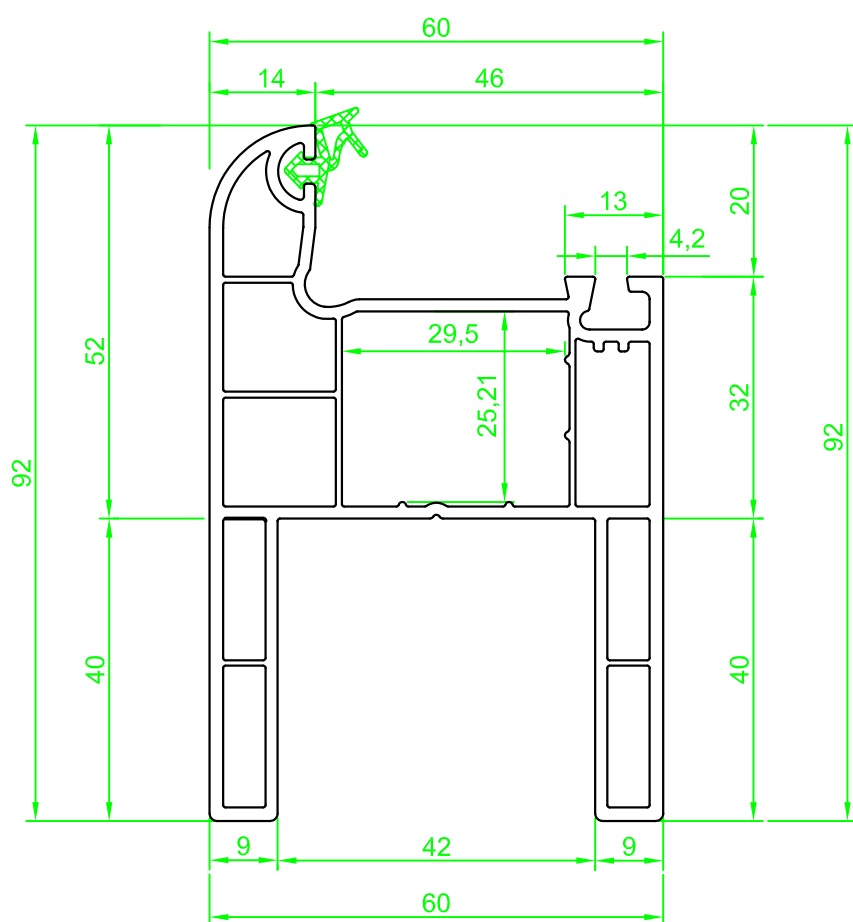

- Width: 39 mm
- Height: 29 mm
- The cross-section shows a red hatched area representing the material.

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The drawing includes a top view and a side view. The top view shows a rectangular base with a width of 61 mm and a length of 61.5 mm. The side view shows a height of 61 mm. The part features a central rectangular cutout with a width of 44.2 mm and a height of 25.35 mm. A small circular hole is located on the right side of the cutout. The part is mounted on a base with a width of 60 mm and a height of 20 mm. The dimensions are labeled with green lines and text.
